

Hans Christian Andersen was the profoundly imaginative writer and storyteller who revolutionized literature for children. He gave us the now standard versions of some traditional fairy tales - with an anarchic twist - but many of his most famous tales sprang directly from his imagination. The thirty stories here range from exuberant early works such as *The Tinderbox* and *The Emperor's New Clothes* through poignant masterpieces such as *The Little Mermaid*, *The Little Match Girl* and *The Ugly Duckling*, to more subversive later tales such as *The Ice Maiden* and *The Dryad*. This is the classic translation by Jean Hersholt. Illustrated by various artists, with an Afterword by Ned Halley.
