

Echoes of tragedy fill the walls of Campbell's Folly. Contractor Noah Chase heard mournful cries inside the castle when he was a boy. Now he returned to Sussex-On-Delaware to restore the castle and set the spirits free. To succeed, he must face his past, gain the towns cooperation, and come to terms with the emotions the sexy photographer he hires inspires inside his heart. Lilly Briton has ghosts of her own. After a bitter divorce and estrangement from her family, the last thing she wants is to return to Sussex-On-Delaware. Hired as a photographer to chronicle the castles restoration, she unwillingly finds herself falling for Noah. Together they attempt to uncover the mystery surrounding Campbells Folly and its curse. Yet before they can help the spirits of star-crossed lovers, they must deal with the past and the presence of an evil entity set on destroying them all.
