Occultism, various theories and practices involving a belief in and knowledge or use of supernatural forces or beings. The word, "occult" is difficult to define. The reason for this is that almost everyone has a different view of what the word means. To some, it. Occultism definition is - occult theory or practice: belief in or study of the action or influence of supernatural or supernormal powers. Occultism is a word that derives from the Latin occultus meaning hidden , secret , or not easily perceived, and refers to the study of a deeper psychic and.

The occult may not be exactly what you think it is or what conspiracy theories and Hollywood lead you to believe. Explore the study of hidden.

Many occultists within the Western Occult Tradition follow practices involving aspects of multiple paths. A biblical look at the occult - what is it, what are some forms of the occult, etc. When I tell people that I'm a historian of the occult " and that I'm personally a seeker into occult and esoteric questions " I receive strange looks. The occult is a loose collection of quasi-religious ideas and beliefs, most revolving around ghosts, witchcraft, demons, spirits and other such. Vice President Dan Quayle on the career of Russian occultist Grigori Rasputin. U.S. Senator James Shields loved a good fight. A former.
