

The Brilliant Brontes - The Complete Works - Jane Eyre, Wuthering Heights, Agnes Grey, Shirley, The Tenant of Wildfell Hall, Villette, Poems, The Professor Jane Eyre Orphaned Jane Eyre grows up in the home of her heartless aunt and later attends a charity school with a harsh regime, enduring loneliness and cruelty. This troubled childhood strengthens Janes natural independence and spirit - which prove necessary when she finds a position as governess at Thornfield Hall. However, when she finds love with her sardonic employer, Rochester, the discovery of his terrible secret forces her to make a choice. Should she stay with him and live with the consequences, or follow her convictions, even if it means leaving the man she loves? Wuthering Heights Wuthering Heights is a wild, passionate story of the intense and almost demonic love between Catherine Earnshaw and Heathcliff, a foundling adopted by Catherines father. After Mr Earnshaws death, Heathcliff is bullied and humiliated by Catherines brother Hindley and wrongly believing that his love for Catherine is not reciprocated, leaves Wuthering Heights, only to return years later as a wealthy and polished man. He proceeds to exact a terrible revenge for his former miseries. Agnes Grey When her family becomes impoverished after a disastrous financial speculation, Agnes Grey determines to find work as a governess in order to contribute to their meagre income and assert her independence. But Agnes's enthusiasm is swiftly extinguished as she struggles first with the unmanageable Bloomfield children and then with the painful disdain of the haughty Murray family; the only kindness she receives comes from Mr Weston, the sober young curate. Shirley Set in the industrializing England of the Napoleonic wars and Luddite revolts of 1811-12, Shirley is the story of two contrasting heroines. One is the shy Caroline Helstone, who is trapped in the oppressive atmosphere of a Yorkshire rectory and whose bare life symbolizes the plight of single women in the nineteenth century. The other is the vivacious Shirley Keeldar, who inherits a local estate and whose wealth liberates her from convention. The Tenant of Wildfell Hall When the mysterious and beautiful young widow Helen Graham becomes the new tenant at Wildfell Hall rumours immediately begin to swirl around her. As her neighbour Gilbert Markham comes to discover, Helen has painful secrets buried in her past that even his love for her cannot easily overcome. Villette After a tragedy in her family, Lucy Snow leaves her home to become a teacher at a French boarding school. Lucy soon begins to fight against an overwhelming sense of desolation. Meeting a charming doctor and a strict, peculiar schoolmaster changes her life forever and threatens to break her spirit. Poems Poems by Currer, Ellis and Acton Bell was a volume of poetry published jointly by the three Bronte sisters, Charlotte, Emily and Anne in 1846, and their first work to ever go in print. To evade contemporary prejudice against female writers, the Bronte sisters adopted androgynous first names. Marked by profound sentiments, gravity and melodious harmony, the poems are strewn on the fields of soulful love, rueful reminiscence and the immortal yearnings of a Christian soul, and represent a fragrant assemblage of noetic flowers from the glebes of olden England. The Professor The Professor tells the story of a young man named William Crimsworth. It describes his maturation, his loves and his eventual career as a professor at an all-girls' school.
