

From time immemorial, the idea of the Sacred Word of divine sound has been a source of wonder, excitement, and mystery. The Sacred Word and its power to illuminate and transform is the core of spirituality in the Judeo-Christian, Buddhist, Sufi, and Islamic traditions. In the yogic tradition, sacred words are called mantra- literally the word which protects by being repeated. Through the Vedic and Tantric traditions of India, The Power of Mantra and the Mystery of Initiation explores the Sacred Word- mantra - and unveils the mystery of mantra initiation. Making this 6,000 year old esoteric science both accessible and practical, Pandit Tigunait tells us how we can use mantra to bring about a sense of peace and total well-being, as well as to unfold our higher selves. Seekers from all times and traditions have completed the journey from individual to cosmic, from transitory pleasures to eternal joy, and from intellect to intuition through the science of mantra. This book is for anyone who longs to join them.
