Read the full-text online edition of Thucydides and the Science of History ().

Thucydides And the Science of History by Charles Norris Cochrane, published in Sections Include: Thucydides, The State, Inter-State Relations, The. In lieu of an abstract, here is a brief excerpt of the content: **REVIEWS OF BOOKS Thucydides and the Science of History. By CHARLES NORRIS COCHRANE.** Oxford University Press. Pp. THAT SO interesting and original a study of. Thucydides and the Science of History. By Charles Norris Cochrane, University College, Toronto. (New York: Oxford University Press. Pp. \$). The possibility of a 'scientific' history while certainly suggestive in Thucydides is very much a modern construct embodying several elliptically.

Thucydides was an Athenian general and historian, most notable for his work known as the History of the Peloponnesian War. Thucydides was an Athenian historian and general. His History of the Peloponnesian War recounts the fifth-century BC war between Sparta and Athens until the year BC. Thucydides has been dubbed the father of scientific history by those who. Thucydides's History of the Peloponnesian War breaks off before the in the disciplines of history, international relations, and political science. Granted, in Cochrane offered a plausible picture of a Thucydides whose work was scientific and prognostic rather than philosophical.

This chapter shows how Thucydides' rigorous critical method and literary artistry combine to produce an intellectually penetrating and emotionally gripping. Paul Shorey, 'Thucydides and the Science of History', Classical Philology, xxv, no. 3 (); A. W. Gomme, "Thucydides and the Science of History". history. Thucydides, (born bc or earlier? died after bc?), greatest of ancient . He explains in a scientific and impartial manner the intricacies and.
