

Iâ€™d never really thought about whether or not vampires are real and if someone had told me that Iâ€™d not only discover the truth about them but that Iâ€™d fall completely and undeniably in love with one, Iâ€™d have told them that they were crazy. Vampires are some myth that you read about in books but Lucian is everything that I could want or need and more. Unfortunately, he carries with him a deep, dark secret that heâ€™s been keeping for years; a secret that would put me and my friends in more danger than I ever couldâ€™ve imagined. Now, I can only hope that Lucian can find and save me before my captor has a chance to replace my life with one filled with darkness and blood. I donâ€™t know if Iâ€™ll survive this or if Iâ€™m doomed to a life that will no longer include friends, school, and love. Follow my story and see who will survive the events that unfold in Vampire Promises ---- a story of what happens when a vampire with a secret past falls in love with a human who has everything to live for.
